Share your amazing progress (or road blocks) with the SC Launch team. Communication is essential for us to help you.

Raising money? Let us know! Not every company will receive SC Launch funding, but we may have some insight into funding opportunities outside of SC Launch.

If you are being considered for funding...get ready to enter our rigorous and intensive due diligence process. This process can take two months to 2 years.

You've made it through the due diligence process – prepare to present to the SC Launch Board of Directors, who will approve (or deny) financing.

You made it! You've been approved for an investment, you are now considered a "Portfolio Company." Companies we have invested in have gone on to over \$381,400,000 in follow-on funding!

Keep up the good work. Because of you, SCRA has had a tremendous impact on South Carolina's economy – over \$19.5 billion!
