Check out our network of leading service providers, Resource Partners, who are dedicated to helping your company succeed.

Attend SC Launch-sponsored events and rub elbows with industry leaders and bigshots.

Share your amazing progress (or road blocks) with the SC Launch team. Communication is essential for us to help you.

Raising money? Let us know! Not every Client Company will receive SC Launch funding, but we may have insight into funding opportunities outside of SC Launch.

**If you are being considered for funding...get ready to enter our rigorous and intensive due diligence process. This process can take 2 to 4 months.**

You have made it through the due diligence process – prepare to present to the SC Launch Board of Directors, who will make the final decision on financing.

Your company has been approved for an investment! You are now considered a "Portfolio Company." Companies we have invested in have received over \$600,000,000 in follow-on funding!

Keep up the good work. Because of you, we are able to grow the Innovation Economy of South Carolina!
