

Academic Matching Grant

FY 2022

APPLICATION

Grant Objective

The Academic Matching Grant expands the impact provided by South Carolina's post-secondary academic institutions towards the development of technology based on intellectual property for commercialization and public benefit. Funds are intended to advance the technology towards the next commercial milestone that reinforces the mutual goals of SCRA and the institution to support the innovation ecosystem. Priority will be given to those applications that align with performance goals outlined in the 2016 Strategic Collaboration Agreement between SCRA and state's Research Institutions including (i) increased research funding, (ii) creation and advancement of early-stage technology-based companies, (iii) total capital investment, and (iv) public/private partnerships generating growth of the state's industry.
