

SCRA-ACADEMIA COLLABORATION TEAM (SACT) COLLABORATIVE RESEARCH GRANT

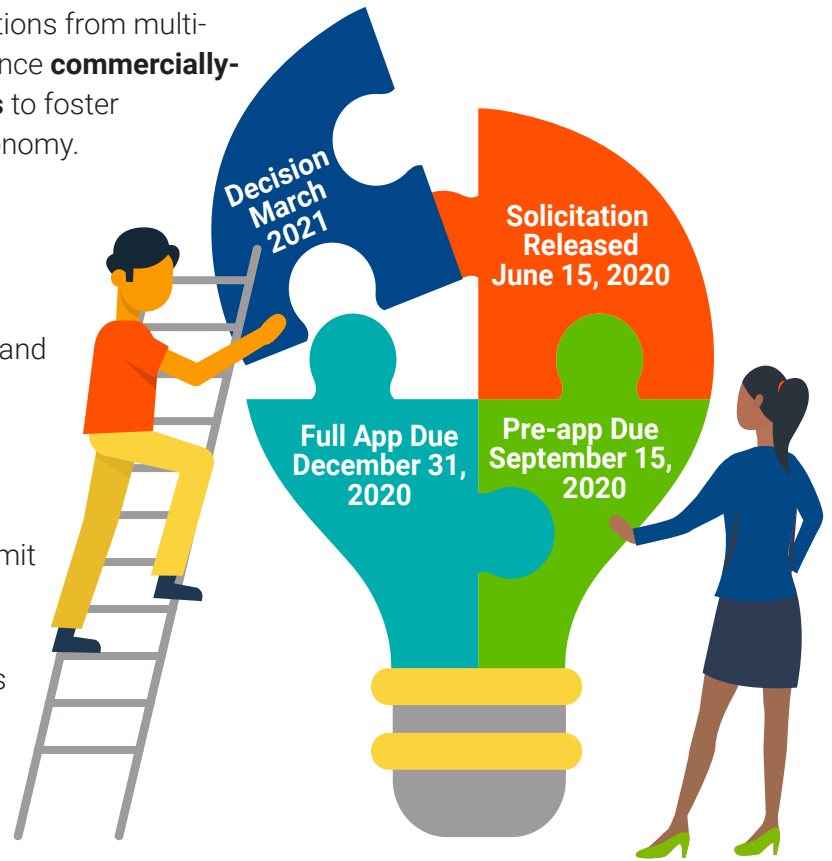

SCRA's **SC Academic Innovations** is requesting applications from multi-institutional, collaborative research teams that will advance **commercially-relevant research** and **address key industry challenges** to foster technology-enabled growth of the state's innovation economy.

RESEARCH FIELDS

- **Industry 4.0**, including Supply Chain Logistics
- **Cybersecurity**
- **Biomedical Sciences** (specifically, Medical Devices and Regenerative Medicine)

PROGRAM OVERVIEW

- Three-year performance period
- Applicants from SC public Research Universities submit proposals under the RU Solicitation
- Applicants from SC public Comprehensive Teaching Universities and Technical Colleges submit proposals under the CTU/TC Solicitation
- Proposals are selected and submitted by the Vice President of Research or Office of the Provost, if there is no Vice President of Research position
- Each institution is can submit a maximum of two proposals under this solicitation
- Proposals that include cost share from institutions and industry partners are recommended and will be scored more favorably.
